

Wisconsin Department of Veterans Affairs

Tony Evers, Governor | Mary M. Kolar, Secretary

August 5, 2022

Dear Union Grove Members, Friends, and Family:

The Wisconsin Department of Health Services (DHS) continues to report medium transmission levels of COVID-19 in Racine County today. As many Wisconsin counties continue to see rising levels of COVID-19 transmission, we ask that you please take personal health precautions while out in the community to reduce any potential spread into our Home.

Since we last updated you on yesterday, we have had 2 employees test positive for COVID-19. Accounting for all recent recoveries, we currently have 5 cases of COVID-19 on campus (0 members, 5 employees).

Please stay up to date on your vaccinations and booster shots as this gives you the best possible protection from being seriously ill from the virus. The CDC recommends everyone ages 6 months and older stay up to date with their vaccines, which includes everyone 5 years and older getting boosters if eligible, for the best protection against COVID-19.

If you are not feeling well, please do not visit until you have taken a COVID-19 test and have fully recovered from your symptoms. If you are planning to visit our campus, all visitors are asked to wear an N95 or KN95 mask when in our buildings and perform a health check assessment upon arriving.

Thank you for your commitment to the health and safety of everyone at our Home.

Sincerely,

Kimberly Storlie

Kimberly Storlie, LNHA
Deputy Commandant
